The annual Walkathon provides crucial funding for Marin Foster Care Association’s educational programs, tutoring and enrichment, clothing, supplies, advocacy and support for foster children and the loving families that open their hearts and homes to local children in need.

Create your own donor page and set a goal that works for you.

Family friends, and coworkers can walk with you to show their support or register and set their own goals for some friendly fundraising competition.

Go to our website and click the Walkathon link to get started:
